After receiving your Identity Theft Packet, complete the "Identity Theft Form" – This form provides us the information we need to make an offense report. It must be filled out with as much information as possible.

In addition to the completed form, you must provide documentation that supports your claim, such as a copy of a state driver license or ID card, passport and/or a copy of your social security card to establish your identity.

After we begin our investigation into your offense, you may be asked to provide additional information. The detective assigned to your case will determine what information is needed.

Contact and place a fraud alert with all 3 credit bureaus. You should request a copy of your credit report from each bureau. We cannot process your complaint without at least one recent copy of your credit report.

Submit the completed original fraud packet, a copy of your credit report, along with any documentation that supports your fraud claim such as collection notices and bills. Any incomplete packets WILL NOT be processed and they will be mailed back to you. We do not hold any paperwork.

Please make copies of everything for your records. Once you return the completed packet to the police department, please allow at least 30 business days for the packet to be processed. A report number will be issued. A public copy of the report may be obtained by contacting the Farmers Branch Police Records Division at 972-484-3620.

Fair and Accurate Credit Transactions Act (FACTA)

The FACT Act allows you to obtain copies of any and all records related to the fraudulent accounts. You are then permitted to provide law enforcement with copies of the records you received related to the fraudulent accounts; thereby allowing us to bypass the sometimes difficult process of obtaining subpoenas for the very same information. It also allows you to request the information be made available to the Farmers Branch Police Department.

Letters of Dispute

Sample copies of the Letters of Dispute can also be found at identitytheft.gov under "Sample Letters." This letter needs to be completed for every creditor involved in the identity theft. The letter of dispute should contain information related to the fraudulent account(s), your dispute of the account(s), and your request for the information to be corrected. In addition, the letter should reference the FACTA and make a request for copies of any and all records related to the fraudulent accounts be provided to you and made available to the Irving Police Department.

Identity Theft Information

Identity Theft is defined as the theft or misuse of personal or financial identifiers in order to gain something of value and/or to facilitate other criminal activity. Identity Theft is a violation of the Texas Penal Code section 32.51 and is a Felony Offense.

It is important that you take the time to complete this packet and return it to the Farmers Branch Police Department. Upon the return of your completed, signed, and notarized complaint form/affidavit, it will be assigned to a detective. However, if it is determined the Farmers Branch Police Department is not the appropriate agency to investigate your case or does not have the jurisdiction, then the complaint form will be forwarded to the appropriate agency. You will be notified of the transfer of the affidavit.

The attached Identify Theft Affidavit is a sworn statement and will be used as evidence in court should an arrest be made. It is essential that the information you provide be accurate and true. **The Complaint Form and Personal Statement of Fact must be signed in front of a Notary.**

If you believe you are a victim of Identity Theft, you should take the following steps to protect yourself and your credit. The sooner you take action to limit the fraudulent use of your personal information, the easier it will be to correct any damage already done.

NOTE:

Identity theft cases are difficult to investigate, as many suspects hide their information through various means and also use other identity theft victims' information while committing their crimes. We will investigate cases where a viable suspect is identified.

Step 1: Contact the institution involved

If the offense involved **existing bank accounts** (checking or savings accounts as well as credit or debit card) you should do the following:

- Close the account that was used fraudulently or put stop payments on all outstanding checks that might have been written without your knowledge.
- Close all credit card accounts that were used fraudulently.
- Close any account accessible by debit card if it has been accessed fraudulently.
- Open up new accounts protected with a secret password or personal identification number (PIN).

If the identity theft involved the creation of new accounts, you should do the following:

- Call the involved institution and notify them of the identity theft. (See Step 5.)
- Then proceed with the above steps

Step 2: Contact a credit bureau and place a “fraud alert” on your file.

The three credit reporting bureaus, Equifax, Experian and TransUnion, share information so when you request an alert, your request is automatically sent to all three agencies. A fraud alert will put a notice on your credit report that you have been the victim of identity theft.

Texas consumers have the right to place a “security freeze” on their credit reports, which limits the credit bureaus from releasing information in your file. A security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. If you freeze your credit report, you can temporarily lift it when you need to apply for credit. You must contact each credit bureau to request a security freeze.

Step 3:
Request a copy of your credit report.

A free copy of your credit report is available at www.annualcreditreport.com or 1-877-322-8228. The law allows you one free credit report per year from each company.

Upon receipt of your credit history: review it for unauthorized accounts or lines of credit, work or home addresses that were not yours or are not yours, and any other information that is not yours. Complete the attached Identity Theft Affidavit and return it with your credit history and any other relevant documentation to the Irving Police Department.

Step 4:
File a report with the Federal Trade Commission.

You can go on-line to file an identity theft complainant with the FTC at identitytheft.gov and click on "Get Started" or by calling 1-877-IDTHEFT.

Step 5:
Contact creditors involved in the Identity Theft in writing.

This step involves contacting all the companies or institutions that provided credit or opened new accounts for the suspect or suspects. Some examples include banks, mortgage companies, utility companies, telephone companies, cell phone companies, etc. Provide the creditors with the completed Identity Theft Affidavit (some may require that you use their own affidavit) and Letter of Dispute.

Step 6:
Submit the Identity Theft Complaint Form with copies of all information and records obtained from creditors with regard to the fraudulent accounts to:

**Farmers Branch Police Department – Financial Crimes
3723 Valley View Lane
Farmers Branch, TX 75244**

To avoid confusion, we request that you submit everything all together. The information can be hand delivered or mailed. It is understood that some victims are only interested in the correction of their credit and do not necessarily want prosecution. Therefore, **we request that you only submit this packet to Farmers Branch Police Department = you desire prosecution** and would be willing and available to appear and testify in court, should a suspect be identified and arrested.
